CONNECTING PEOPLE WHO CARE WITH CAUSES THAT MATTER

mission
The Yampa Valley Community Foundation provides leadership in raising funds, in partnership with community members, to support innovative programs benefiting the Yampa Valley community.

vision
Building a healthy and vital community through the power of philanthropy.

values
Integrity  Community  Creativity  Competence  Wisdom

who we are
Eat Local. Buy Local. Give Local. Our community depends upon the Yampa Valley Community Foundation. By fostering deep relationships with our local nonprofit organizations and other community members, we monitor the pulse of the community – what makes it special, what challenges it faces, and where the greatest needs exist. These relationships allow us to provide our donors with unparalleled insight and maximizes the impact of their charitable giving. We are 100% locally based. Support of the Yampa Valley Community Foundation allows us to continue to provide the services and programs essential to maintaining the vitality and character of this special place.

In all that we do, the Yampa Valley Community Foundation operates with the highest integrity. We are the gold standard in client services and a trusted resource to the community. Our work is impeccable, impactful and transparent to those we serve.

dear friends
2019 marked our 24th year of serving Northwest Colorado, a year in which the Yampa Valley Community Foundation reached new heights while also transitioning to new leadership. In December, we celebrated the remarkable accomplishments of Mark Andersen who served as Executive Director for the Community Foundation for ten years. Under Mark’s leadership, the Community Foundation’s net assets grew from $7.2 million in 2009 to over $21 million in 2019. This growth reflected increased trust in the Community Foundation as a partner in philanthropy serving both our donors and the nonprofit organizations who support this region.

In other staffing news, Traci Hutt joined the Community Foundation team in October as Donor Engagement Manager and Helen Beall stepped into a new role as Community Impact Manager. In May of 2020, the Board of Trustees welcomed Tim Wohlgenant to lead the Community Foundation into the next chapter of service to the Yampa Valley community.

As we look ahead, we know it will be a year dominated by the coronavirus pandemic. While this crisis has presented enormous challenges to our community, it has also highlighted the core values community members share that make this a special place. Our COVID-19 Response Fund is a wonderful example of this community’s caring culture. As of this writing our neighbors have contributed over $395,000 to the Fund for addressing urgent needs like food, housing, disinfection, testing, safety supplies and child care. We know we’ll have many examples to share next year of how, with the Yampa Valley Community Foundation’s help and the generosity of our many donors, we have weathered this storm together, with empathy, compassion and grace.

We are pleased to share with you our 2019 accomplishments detailed in this annual report. We are grateful you have joined us as partners in philanthropy to inspire collaboration, promote giving, and build a resilient and thriving community.

David Foster
Board Chair

Tim Wohlgenant
Executive Director

GIVING CIRCLES
building strong nonprofits

The Foundation’s highest mission is to support a vibrant nonprofit community. To encourage long-term capacity-building within Northwest Colorado nonprofits, the Community Foundation established a $100,000 endowment incentive in which nonprofits launching endowments held at YVCF are eligible to earn 25 cents for every dollar donated to support their fund, up to $10,000.

The Steamboat Art Museum (SAM) is Northwest Colorado’s only fine art museum. YVCF worked with Denny and Jan Stamp and SAM to establish a $60,000 endowment and a $40,000 organizational fund for the museum. These funds ensure that fine arts will be accessible in Northwest Colorado for generations to come.

READ MORE
inspiring local partnerships

The Steamboat Tennis and Pickleball Center is a nationally-recognized facility operated through a partnership between the City of Steamboat Springs and its current concessionaires, Loretta and Bill Conway. In 2017, private donors established the Steamboat Springs Tennis and Pickleball Center Maintenance Endowment Fund at YVCF to serve as a permanent source of the Center’s maintenance funding, with a goal of $1 million by 2029. The Fund’s stable funding stream encouraged backing from an expanded partner base including the non-profit Court Sports 4 Life and catalyzed the launch of a capital campaign to improve the tennis center and construct a new pickleball facility, setting in motion a long-range roadmap for one of Steamboat’s beloved public recreational amenities.

READ MORE
The Community Foundation facilitates collaboration across the Yampa Valley to protect and preserve treasured local assets. These resources benefit a broad representation of residents and visitors and enhance our quality of life in Northwest Colorado.

Launched in 2019, the Yampa River Fund addresses concerns about water security among ranchers, business owners and recreational users and ensures healthy wildlife habitat. Twenty organizations in Routt and Moffat Counties with leadership from The Nature Conservancy manage this fund held at YVCF. The goal is to grow the fund to $4.75M within five years, creating a steady funding stream and enabling $200,000 to be granted annually to support conservation and restoration activities.
donor spotlight: rob & ellen race

On a recent morning, Ellen Race found herself on one of her favorite hiking trails, reflecting on the close-to-home outdoor access we are fortunate to enjoy in the Yampa Valley. “I never get tired of the joy of a simple walk through the woods surrounded by peace and tranquility,” she said, noting this is one reason she and her husband Rob chose to donate to the Trail Maintenance Endowment Fund - one of the many causes the Race’s are passionate about supporting.

The Yampa Valley Community Foundation is an essential philanthropic partner for Rob and Ellen. It provides education and insight into the local charitable opportunities, vetting the nonprofits who are providing services and programs and connecting them with like-minded others in the community.
In 2019, the South Routt Recreation Association (SRRA) was awarded $15,000 to assist with acquisition of Oak Creek Mountain Park. This beloved 165 mountainous acres located just west of Oak Creek is used by hikers, runners, equestrians, and bikers. The property, generously shared with the public by the Garrity family for the past 15 years, has become a hidden gem of south Routt County. The Park is a valuable resource for the community, diversifying its economy, enriching the family-friendly town, and preserving a recreational opportunity enjoyed by locals and visitors alike.

The Foundation’s annual Community Grant Cycle is a key component of our work, funding pressing needs and innovative programs in local nonprofits as they work to uphold quality of life in the Yampa Valley. Donors entrust YVCF’s staff, board and a committee of community members to conduct a diligent review process and award grants that strengthen the nonprofit sector. The process further enhances YVCF’s deep understanding of current needs in the community and enables us to provide targeted training opportunities and program support.
The scholarship program is one of the pillars of our organization, rooted in the history of the Community Foundation. YVCF’s scholarship funds are created by individuals, families and organizations to offer financial support to students in pursuing college, university, trade school, or other educational programs. The scholarships are awarded annually based on a wide range of criteria and to a broad range of educational institutions.

29 Scholarship Funds

129 scholarships totaling $206,354 given to 107 students in 2019

TALLAK MYHRE
Steamboat Springs High School, Class of 2019

Tallak is the recipient of the 2019 Live Like Sancy Memorial Scholarship, Robert Welborn Scholarship, Steamboat Ski & Resort Corp. Scholarship and Steamboat Board of Realtors Scholarship. He is pursuing a degree in Business-Finance at the University of Colorado Boulder.
passport club

For the past 24 years, the Steamboat Ski & Resort Corporation (SSRC) has generously donated 80 ski medallions each winter to the Community Foundation’s Passport Club.

The Passport Club provides a main source of operational funding for the Yampa Valley Community Foundation, as well as a stream of revenue through which the Steamboat Ski Area provides grants and scholarships in our community.

Since its inception, the Passport Club has resulted in over $7 Million in grants and scholarships back into the community.

sleeping giant society
Leaving a legacy for a vital community.

The Sleeping Giant Society honors individuals who have committed to supporting our community beyond their lifetimes.

The Yampa Valley Community Foundation stewards planned gifts to ensure that an individual’s unique interests and philanthropic goals will continue to be fulfilled long after the donor’s lifetime. We adhere to the highest standards to honor legacies and to keep our promise to the donor and to our community – today, tomorrow and for generations to come.

Legacy gifts come in all different sizes and forms. Please contact YVCF to learn more about legacy giving and becoming a Sleeping Giant Society member.

The Philanthropist of the Year Award was established in 1998 to honor the efforts of an individual, business, and youth who have exhibited significant charitable giving, insightful leadership and volunteerism, and who encourage others to contribute by example.

**Russ & Carol “Shine” Atha**

Over many years, Russ and Shine have provided support by serving on numerous nonprofit boards, rolling up their sleeves to volunteer and providing much needed financial assistance. For them, philanthropy is a fact of life and it is something you just do.

**The Steamboat Group**

“We feel lucky to be in Steamboat,” Jon Wade, owner and founder of The Steamboat Group, shares. Each time they help a client buy or sell a home, a donation is made to their Donor Advised Fund at YVCF. “We have a responsibility to help keep Steamboat special and that is why we give back.”

**Gretchen Jacobs & Andrew Petersen**

Gretchen and Andrew’s combined leadership efforts were instrumental in creating a new city ordinance to ban single-use plastic bags in the four major grocery stores. They both reflect on the Steamboat community as an inspiring motivator to get involved and to give back.
