*Your right to privacy is important to us.*

### Privacy Statement

This website “Site” is owned and operated by the Yampa Valley Community Foundation, a Colorado not for profit corporation “YVCF”. The goal of our website is to inform and educate our website users about our work as a grant maker, community resource and philanthropic partner to local individuals, nonprofits, families and corporations.

YVCF is committed to protecting and honoring the privacy of all those we work with, including visitors to our website and our donors.

We do not sell, rent, loan, or otherwise share any information about our donors to external parties, unless legally required by the IRS.

YVCF may share donor information in the following ways:

When donors contribute to certain funds (donor-advised funds, scholarship and community) the advisors of that fund are able to see donor names and the amount contributed. If requested by the advisor, we also share the mailing address of those donors so the advisors may send their own acknowledgment.

We also publicly recognize and celebrate donors to our Passport Club and our Legacy Society with their names in our Annual Report. **HOWEVER, any donor may at any time request anonymity and we will honor these requests.**

### Personal Information You Provide to Us

When you visit YVCF online, you remain anonymous, as we do not require registration to view our website or access information. We may occasionally ask for your feedback via surveys or other communications to better understand your interests and needs.
