

Yampa Valley organizations whose primary goal is to serve youth:

Many organizations serve youth through programing but are not included on this list. YVCF is happy to answer your questions and to provide additional information about nonprofits and their youth-serving programs. This list only includes nonprofit organizations whose primary mission is to serve youth. This list does not include schools.

Summer Camps and After-School

- **Booktrails**: To foster literacy in all people and promote access to literacy programs for all children.
 - **Northwest Colorado Boys and Girls Club**: To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.
 - **Hayden Totally Kids**: To provide quality, affordable youth services; working in conjunction with other programs in the Hayden community to enhance the area's "livability."
 - **Perry-Mansfield Performing Arts School and Camp**: To nurture a love of the arts in a breathtaking setting that brings students closer to nature and their artistic and personal dreams than they have ever been before.
 - **Rocky Mountain Youth Corps**: To provide young people of all ages opportunities to live, work and thrive in the outdoors.
 - **Sk8 Church**: To provide a safe and sober environment for anyone.
 - **Yampatika**: To develop environmental learning opportunities that serve the children and adults of Northwest Colorado.
 - **4-H**: To empower youth to reach their full potential, working and learning in partnership with caring adults.
-

Education, Support and Child Development

- **Connections for Kids**: To strengthen the recourses and services for children 0-8 and their families in Northwest Colorado.
- **Family Development Center/Newborn Network**: A parent support system that serves all families living in Steamboat and Routt County with children from birth to 36 months (3 years) of age.
- **Northwest Rocky Mountain CASA**: To inspire, empower, and educate the community and volunteers to advocate for the best interests of the child.
- **Grand Futures Prevention Coalition**: To prevent substance abuse among youth and young adults in Northwest Colorado.
- **Junior Achievement Rocky Mountain**: To inspire and prepare young people to succeed in a global economy.
- **Steamboat Reading**: To provide a community of support for struggling readers and their families
- **Partners of Routt County**: To build resilient youth in Routt County by creating and supporting meaningful mentoring relationships.

- **Routt County Youth Services Coalition**: To collaborate with all youth service agencies in Routt County to provide integrated and comprehensive services to all youth, young adults and families throughout Routt County.
 - **Yampa Valley Autism Project**: To provide resources and direct services to individuals and families living with autism or other disorders to cultivate their abilities and maximize their quality of life.
 - **Reach out and Read Colorado**: To give young children a foundation for success through reading.
-

Recreation

- **High Altitude Basketball**: To create basketball opportunities for all.
- **SOS Outreach**: To empower kids in our communities to discover their true potential through powerful outdoor experiences.
- **Steamboat Soccer Club**: To instill a life-long passion for the game of soccer through player focused programs in safe, fun and inclusive environments.
- **Steamboat Adaptive Recreational Sports (STARS)**: To empower and enrich lives through adaptive recreational activities and provide life changing experiences for our clients.
- **Steamboat Springs Winter Sports Club**: To create champions on and off the mountain by developing life skills and providing growth opportunities through participation in sports.
- **Steamboat Tennis Association**: To strengthen our community and support local youth through the healthy lifetime sport of tennis.
- **Steamboat Springs Youth Hockey**: To foster and advance the game of ice hockey for players from the age of five years through high school, by planning programs and creating policies, then implementing and executing them for the betterment of all involved.
- **Whiteout Volley Ball**: To achieve personal and athletic development of its members through quality coaching in a positive, competitive environment while enjoying the sport of Volleyball.
